The race committee (RC) for a day needs to prepare for the event of the day by pre-reading the RC Workbook, the Notice of Race, Sailing Instructions and reviewing the forms used for racing. The RC chairperson needs to contact members of NSC to arrange for help on duties for the event of the day. This is a good time to watch other skippers sail the course, to meet other members, take photos of NSC members and to just soak in the fun. The RC for the day should arrive at least one (1) hours before the skippers meeting posted time.
